INITIATIVES FOR JUST COMMUNITIES INC. Notes to the Financial Statements

March 31, 2022

1. PURPOSE OF THE ORGANIZATION

Initiatives for Just Communities Inc. (the "Organization") was established as a separate program of the Mennonite Central Committee Manitoba Inc. effective April 1, 2011. Prior to this date Open Circle, FASD and Circles of Support and Accountability (CoSA) were departments within Mennonite Central Committee Manitoba Inc. The El'Dad Ranch was also previously a separate program of Mennonite Central Committee Manitoba Inc. and is now also part of Initiatives for Just Communities Inc. El'Dad Ranch is a residential and vocational facility located near Steinbach, Manitoba which focuses on providing care and support for men and women with intellectual disabilities, some of whom have been in conflict with the law.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies.

a) Fund Accounting

The Organization accounts for its operations using the following funds:

- Operating accounts for unrestricted assets and liabilities that are used to support ongoing operations and to aid in ongoing projects approved by the Board of Directors and management.
- Capital accounts for assets, liabilities, revenues and expenditures related to capital assets.

b) Revenue Recognition

The Organization follows the deferral method of accounting for contributions which includes funding from both government and non-government sources.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the year in which the related expenditure is recognized. Contributions restricted for purchases of capital assets are deferred and amortized into revenue at the same rate as the corresponding capital asset.

Revenue relating to sales is recognized when persuasive evidence of an arrangement exists, delivery has occurred, the price to the buyer is fixed or determinable and collection is reasonably assured.

INITIATIVES FOR JUST COMMUNITIES INC.

Notes to the Financial Statements

March 31, 2022

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

c) Capital Assets

Capital assets are recorded at cost less accumulated amortization. Amortization is recorded using the declining balance method at the following rates:

Buildings	5%
Furniture	10%
Equipment	20%
Vehicles	30%

Amortization on computer equipment is recorded on a straight-line basis over four years. Leasehold improvements are amortized over the term of the underlying lease.

d) Inventories

Inventories of unprocessed and corded wood are valued at the lower of cost and net realizable value.

e) Financial Instruments

Financial assets and financial liabilities are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, all financial instruments are measured at amortized cost.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in net earnings an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss shall be reversed in net earnings in the period the reversal occurs.

f) Income Tax

The Organization was established as a not-for-profit organization and is registered as a charity for purposes of the Income Tax Act (Canada), and as such is not subject to income tax on its net revenue.

g) Use of Estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reported period. Actual results could differ from management's best estimates. These financial statements include significant estimates relating to the estimated useful life of capital assets.
